NOTICE TO BOUNDARY LINE ADJUSTMENT APPLICANTS

Recording a Boundary Line Adjustment (BLA) map and other documents does NOT convey property from the grantor to the grantee, it only shows intent. The actual **conveyance must be done by deed**. If you are not familiar with the requirements for preparation of a quit claim, statutory warranty deed, or other legal means of conveyance of title and cannot execute same, you need to consult an attorney in order to make sure title is conveyed to the grantee **for your protection and to ensure that title is conveyed**.

If there is a mortgage or other lien on the title of the land being conveyed, you should contact the lender, mortgage holder, or lien holder regarding their legal rights and approval prior to execution of a BLA.

You may wish to contact an attorney regarding the appropriateness of a BLA if you are the grantor and your property is mortgaged.

If your parcel is in a special tax program such as **Open Space** Farm and Agricultural Land, Open Space Timber, or **Designated Forest Land**, or if you are getting a **Senior Exemption** on your taxes, you are encouraged to discuss any considered boundary line adjustments with the Assessor’s Office **BEFORE** making those changes. Boundary line adjustments may involve undesired tax consequences. You may reach the Assessor’s Office at (360) 740-1392.
